

## IHTA MEETING MINUTES

October 4, 2016

ISRA Horse Camp, site 138

Called to order at: 6:38 Attendance: Sue Manes, Nancy Simmonds were excused, all other board members were present. Jennifer Ross, Debbie Mace, Donna Cody, and Gloria Logan were also present.

Treasurer's Report: Sue was absent, so no report.

Merchandise Report: Maggie – sold a few shirts & mugs at Harvest Fest. We will check Promo Stitches & More for screen print pricing, an idea was suggested for another map bandana that we may market – Trevor will get back with us.

Membership Report: Ingrid is resigning from the board, Robbin volunteered to take over in this role. We have one new (again) member tonight (Gloria Logan).

Trevor McGinn: Corral panels have arrived; next plan is determining how to anchor the stalls in place, and which sites will have corrals installed. After Chili Cookoff, we need to choose which sites they will go on. The cart trail wash out was fixed for Harvest Fest. It is not quite permanent, but with some tuning the park plans it will be great.

### Events:

Harvest Fest – was a successful event, but we are re-tuning to be more organized going forward.

Workbees - 9 to Outlook wash out. Trevor will examine and assess the best fix.

Chili Cookoff – We will be using a New Event Planning document that will allow individuals to sign up for specific tasks, and expedite communication.

### Other Items:

Sign in at Day Staging; Campground: tabled for next month

Tires & Wheels for the Trailer, voted by email on increased price of \$79 x 4 = \$316 on 9/29, Curt Walls picked them up and installed them for the Chili Cookoff.

Wheelbarrow tire – purchased 10/3, installed on 10/8.
