### Old Business:

Sign (banner) for day staging, agreed to use 2-8' T posts, Lea is checking if she has them. Will buy coated cable to weave through the grommets and cable clamp to the posts.

Install mailbox for sign in station – has been picked up from the trailer and will get it mounted as soon as possible.

New Business:

MHC enhanced membership to gain insurance \$80 – it is a no go. Nancy has read the policy and it only covers events if all participants join the organization, in which case we are covered as volunteers to the park. There is no need.
